

Wise Productions (U.K.) Limited - Cookies Policy

We use cookies to help your site run effectively and provide the best experience for our visitors. By using www.wiseproductions.co.uk, you expressly consent to the use of cookies as described on this page as well as in our Privacy Policy. Please see below for details on each of the types of cookies we use.

What are cookies?

Cookies are small pieces of data that websites store on a device. Cookies can improve your visitor browsing experience because they help websites remember preferences and understand how people use different features.

How do we use cookies?

Wise Productions, like other online services, uses analytics and performance cookies to store your preferences and settings, provide targeted ads and analyse site operations. Each cookie expires after a specified period of time depending on what its function is.

We use a combination of first party and third-party cookies. First-party cookies are to enable the website to function correctly. They do not collect any of your personal data. The third-party cookies we use are to understand how our website performs, how you interact with our site, keeping our services secure, targeting advertising and by providing you with an enhanced user experience to speed up any future interactions with our website.

Our Cookies

Name	Purpose	Type	Duration
algoliasearch-client-js	Adds auto-populated suggestions to address fields in Scheduling to help clients complete forms faster	localstorage	Persistent
Crumb	Prevents cross-site request forgery* (CSRF)	Cookie	Session
RecentRedirect	Prevents redirect loops if a site has custom URL redirects. Redirect loops are bad for SEO.	Cookie	30 minutes
siteUserCrumb	Prevents cross-site request forgery* (CSRF) for logged in site users	Cookie	Three years
squarespace-announcement-bar	Prevents the announcement bar from displaying if a visitor dismisses it	Localstorage	Persistent
squarespace-likes	Shows when you've already "liked" a blog post	Localstorage	Persistent
squarespace-popup-overlay	Prevents the promotional pop-up from displaying if a visitor dismisses it	Localstorage	Persistent

squarespace-video-player-options	Remembers video player selected preferences (volume, playback speed, and quality) for videos uploaded directly to Squarespace	Localstorage	Persistent
ss_cookieAllowed	Remembers if a visitor agreed to placing analytics cookies on their browser if a site is restricting the placement of cookies	Cookie	30 days
ss_sd	Ensures that visitors on the Squarespace 5 platform remain authenticated during their sessions	Cookie	Session
Test	Investigates if the browser supports cookies and prevents errors	Cookie	Session

*Cross-site request forgery (CSRF). CSRF is an attack vector that tricks a browser into taking unwanted action in an application when someone's logged in.

How to control my cookie preferences?

You can disable analytics and performance cookies at any time in your browser settings by clicking on the "Privacy & Cookie Policy" tab. This will display our consent notice again and enable you to change your preferences at any time.
