

Audio Technician - Job Description

Are you an Audio enthusiast looking for an exciting opportunity? Wise Productions is seeking a dedicated Audio Technician to join our team.

The role:

Join our Technical team as an Audio Technician. You'll collaborate closely with the Senior Audio Technician, Audio Technical Manager, and our Warehouse team to prepare and deliver quality audio systems for exceptional events in London. This role, primarily warehouse-based, offers an on-site component and opportunities to contribute to audio system design.

About us:

Wise Productions is a dynamic and creative production company. We specialize in providing tailored lighting, sound, video, staging, and set design services for events in London's unique venues. With a team of 57 dedicated event professionals, we foster a collaborative, friendly, and client-focused approach. We take pride in being an employee-owned business, emphasizing sustainability, transparency, and co-ownership.

Key responsibilities:

- Supervise daily audio department activities, ensuring operators have all resources necessary.
- Check audio equipment is prepped and de-prepped with quality from all contributors.
- Assist in stock management.
- Overseeing the loading and unloading of vehicles with an eye for health and safety and best practice.
- Proactively engage with audio equipment maintenance, including PAT of returned equipment.
- Oversee warehouse condition with a focus on the audio department.
- Ensure drivers are well-informed about audio requirements.
- Maintain good personnel Health and Safety and advocate for health and safety across the team of audio operators, freelancers, and technicians.
- Attend event installations and de-rigs as required.
- Act as a deputy for the Senior Audio Technician when required.
- Assist other departments as needed.

Useful skills and background knowledge

- Knowledge of Yamaha QL/CL desks.
- Operation of Shure and Sennheiser RF systems.
- Nexo, d&b, L'acoustics pa systems.
- Dante Controller experience.
- Understanding of mains power systems.
- Proficiency in Microsoft Office and HireHop inventory management software.

Office Address

Unit 7 SEGRO Park Perivale,
Horsenden Lane South,
Perivale, Middlesex, UB6 7RH

Location and working hours:

This role combines office work, remote work, and on-site presence for install and derig of events. Standard hours are 9.30am-5.30pm, Monday-Friday, with event-related work during evenings and weekends. We support flexible working arrangements as required.

What we offer:

- Competitive annual salary based on experience.
- 37.5 hours per week.
- Overtime pay or time off in lieu.
- 30 days annual leave (including Bank Holidays).
- Additional leave based on length of service.
- Development and training opportunities.
- Pension scheme.
- Employee Assistance Scheme.
- Bike2Work Scheme.
- Octopus Electric Vehicle salary sacrifice scheme.
- Eye care vouchers for VDU workers.
- Medical Cash App (Medicash).
- Employee-Owned Business.
- Enhanced maternity and paternity leave.
- Extra holiday pay calculated on average overtime earnings.

If you're interested in becoming a co-owner of our business and helping shape the future of Wise Productions, we're eager to hear from you! Join us in a culture of ownership, innovation, and shared success.
