Senior Production Designer

£45-£55K per annum + overtime & benefits

Company: Wise Productions (UK) Ltd
Location: London, United Kingdom (hybrid)
Hours: 9:30-5:30pm, Monday to Friday

WHO WE ARE

Wise Productions is an employee-owned creative events production company based in West London, with a talented team of 50 Co-Owners. With a longstanding commitment to innovation, excellence, and a client-centric approach, we pride ourselves on delivering unforgettable event experiences in the UK's most beautiful venues.

Our core values of enthusiasm, dependability, collaboration, and a client-first mentality are at the heart of everything we do, and our recruitment process is designed to zero-in on candidates who truly share these core values. For the right person, this is an exciting opportunity to join a highly regarded event production company and be part of our future success as we leverage our employee-ownership model to drive further growth.

POSITION OVERVIEW

Wise Productions are currently looking for a multi-disciplinary designer from a creative background with an interest in developing a career within the events industry.
The position will report to the Head of Design and involve working closely alongside Wise's creative team and project managers to design and produce live events. Therefore, we are looking for a candidate that has a passion for design and relishes the opportunity to work collaborate with a variety of other event professionals.
The candidate must display a solution orientated attitude, a hunger to learn and impeccable attention to detail.

KEY ACCOUNTABILITIES

- Developing briefs into engaging designs for varying size and scale projects.
- Ensuring designs are clearly communicated with all relevant stakeholders.
- Collaborating with other departments on budgets, planning and delivery of projects.
- Briefing and managing external subcontractors and suppliers
- Preparing and overseeing event graphics.
- Ensuring client retention with creative excellence throughout the process.

DAY-TO-DAY RESPONSIBILTIES

- Attending client facing meetings alongside Project Managers and confidently advising on creative solutions which keep in mind any budget, timeframe and site-specific restrictions.
- Carrying out thorough site surveys and researching venues to better qualify the project scope of work, on large multi-space sites.
- Creating floor plans that communicate the guest journey and event layout, whilst taking into consideration other technical disciplines and event requirements.
- Curating clear and inspiring mood boards which portray the interpretation of the brief and promote exciting and elevated ideas.

- Producing engaging visuals which convey designs and creative ideas, either using CAD software or hand drawn illustrations.
- Assisting and advising on budget proposals, by obtaining accurate quotes from internal departments and external suppliers.
- Sourcing, briefing and managing subcontractors in the production of designs.
- Collaborating with the operation teams to ensure all services are delivered seamlessly on site.
- Researching specialist materials, suppliers and construction methods to create innovative and unique designs.
- Creating technical drawings to ensure bespoke builds are constructed as per the design and to client's expectations.
- Designing and formatting artwork for events and managing the delivery of all graphics with complete accuracy on projects with multiple & complex graphic requirements.
- Keeping an overview of all scenic and design elements to ensure creative excellence on every project.
- Fulfilling the role of a production manager on site for design heavy projects, when required.
- Promoting Wise culture and values throughout every aspect of the job
- Assisting with venue tenders and attending promotional events

WHO ARE YOU?

- Foundation or bachelor's degree in a design related field
- At least 3 years of experience working within the event production industry.
- Experience with CAD software is essential, we use Vector works. (training in Vector works can be provided if required)
- Confident user of Adobe Suite, particularly Illustrator & Photoshop.
- Proficient in Microsoft Office, including Word, Excel and Outlook.
- Ability to use Microsoft Office, including Word, Excel and Outlook.
- Advanced knowledge of construction methods and good understanding of technical event production disciplines.
- Unfazed by unpredictable workload and changing demands within a client facing environment.
- Strong communication, collaborative and organisational skills.
- Confident, personable, positive attitude.
- A proactive and creative problem-solver with a good eye for detail.
- A clear passion for design and spatial planning in relation to creating experiences.
